*'Following our successful concert in April, we are kicking off our Summer Concert Season at the Hamworthy Club with a variety of Swing Jazz Music from Hollywood Films and Broadway musicals that you sure to know.*

*The orchestra will be featuring 2 professional female vocalists that have their own distinct styles of Ella Fitzgerald and Natalie Cole that brings a unique mood and musical colour to the orchestra.*

*We will be playing music from the libraries of Glen Miller, Buddy Rich, Woody Herman, Duke Ellington, Count Basie and whether you want to dance or just listen to the orchestra we are looking forward to seeing you there!'*
